

February 6, 2024

Dear Valued Customer,

This letter is to inform you that Baxter will no longer import the 3-Lead and 5-Lead ECG modules and cables used with the **Welch Allyn Connex** Vital Signs Monitor and the **Welch Allyn Connex** Integrated Wall System for commercial selling purposes into the countries/regions listed in Appendix A.

Baxter will continue to sell the inventory of 3-Lead and 5-Lead ECG modules and cables already located in the countries/regions listed in Appendix A to these areas until the inventory is depleted.

A list of the impacted part numbers is attached in Appendix B.

Baxter will continue to provide depot repair, technical services including phone support, and parts support activities on the products addressed in this notification for the countries/regions listed in Appendix A for up to 5 years or until parts are no longer available. New service/repair part numbers have been created for the impacted countries; see Appendix C for details.

The 3-Lead and 5-Lead ECG modules and cables will continue to be available for sale in all other countries.

We thank you for your business, partnership, and loyalty, and we look forward to continuing to serve your needs with other Baxter products. Please contact our customer service department or your Baxter representative with questions regarding this notice.

Sincerely,

James Bennett
